HAIR SPA & TREATMENTS

Nourishing/Hydrating-Anti Age

The epidermal surface is covered with a film of protection that shields from external aggression and prevents dryness. Because of pollution and using chemicals, the scalp can become taut and totally dehydrated and the hair gets coarse, dry, and devitalized.

Frequency: Once a week or as advised by your stylist

60 Minutes- INR 4,500

Hair Loss Treatment

It is normal to lose a certain number of hairs every day in order to allow for hair renewal.

In case of abnormal hair loss, it is recommended to follow the following program to strengthen and tone the scalp, slow down hair loss and stimulate hair growth.

Frequency: Once a week or as advised by your stylist

60 Minutes- INR 4,500

Dandruff Treatment

Dandruff is present in form of squamate that peel off the scalp. Dandruff may be dry or oily, depending on the scalp type. This treatment helps deep-cleanse the scalp, eliminates dandruff, and normalizes the stratum corneum.

Frequency: Once a week or as advised by your stylist

60 Minutes- INR 4,000

Calming & Re-Balancing

Our current environment is increasingly more polluted, aggressive, and responsible for causing a sensation of discomfort, and even itching on the scalp. The sensitive or irritated scalp is already abnormally respective.

Frequency: Once a week or as advised by your stylist

60 Minutes- INR 3,500
